## *Rescue Relief Household Program*

**September 7, 2021**

Tribal Citizens,

Tlingit & Haida has received a tremendous response to the Rescue Relief Household program. **As of today, a total of 12,544 applications have been received** and entered into the client database. Of those, 1,964 have been reviewed, 965 have been submitted for payment, and 858 are incomplete.

**Over the Labor Day holiday weekend, the Rescue Relief team received an additional 86 applications, reviewed 941 applications, and approved 330 payments.**

Tlingit & Haida anticipates 40 days between the date of application and the issuing of funds. Although this timeframe is different from what was planned, it is important that we provide a transparent, realistic timeline to our citizens given the significant response to the Rescue Relief Household program.

Please rest assured, our Rescue Relief team is working diligently to process applications and to respond to the high volume of emails and phone calls received as quickly as possible.

We greatly appreciate your patience and are very honored to serve you during these unprecedented times!
